

JADE A. JABALLA

Tinag-an, Albueria, Leyte | (+63) 993-310-3211 | jade.abadiano.jaballa@gmail.com

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER SCIENCE, 2022-PRESENT

Visayas State University – Main Campus, Baybay City, Leyte

SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS, 2020-2022

Seguinon Stand Alone Senior High School, Seguinon, Albueria, Leyte

SKILLS

Programming Languages: C, C#, Python, Java and Javascript

Technologies and Tools: Firebase, VS Code, Tailwind CSS, and Git

Frameworks: Nuxt and Vue

PROJECTS

Eduvate (2025)

Test Engineer | Mobile-based Mentorship Application

Tech Stack: Flutter, Firebase

- Developed a mobile application using Flutter to streamline and enhance the mentorship program of the VSU Computer Science Students Society.
- Led the testing phase, ensuring deliverables were high-quality and aligned with project requirements.

VSU-LHS Connect System (2025)

Full-Stack Developer | Web-based Application for VSU-LHS Guidance Facilitation

Tech Stack: Nuxt, Javascript, Vue, Firebase, HTML, Tailwind CSS

- Developed a web-based system to streamline and digitize the manual guidance facilitation process.
- Designed the data-model and implemented backend with firebase while contributed to a seamless user experience by implementing intuitive front-end interfaces, strictly adhering to the project's defined UI/UX design.

VersaTula (2024)

Project Manager & Lead Developer | Text Language Detection Game using FFNN Machine Learning

Tech Stack: Python, C#, Google Colab, Flask API

- Developed a text language detection game using FFNN, optimizing model performance despite a limited dataset.
- Led the project, overseeing both development and management, and delivered a fully functional application with Windows Forms (C#), Google Colab, and Flask API.

ACHIEVEMENTS

President's Lister and DOST JLSS Scholar

- Awarded for exceptional academic performance in the Computer Science program and recognized for potential in science and technology.

Consistent Honor Student in STEM Strand

- Demonstrated exceptional performance in analytical and technical subjects.
